

Have you ever felt lonely, even in the middle of a crowd? You feel no one really knows you...or wants to. At its darkest, it makes you feel irrelevant to life swirling around you.

But Jesus is the ultimate "been there, done that," who proves that power can arise out of pain. He comes to awaken and affirm your life, and he comes to create a community of friends who can do the same.

Join us Sunday, to discover the meaning of his death... and your life.
