

Hidden Joy. Hidden Peace. Hidden Love. Sometimes the most precious, life-changing gifts get hidden just below the surface. But, when it seems we need it most, Love breaks through.

Hidden Joy. Hidden Peace. Hidden Love. Sometimes the most precious, life-changing gifts get hidden just below the surface. But, when it seems we need it most, Love breaks through.

This is one of those times. Easter holds the power of transforming Love--the power to transform our lives, our family, our community...and even our world.

That's the Easter message for all of us. And that's a good reason to celebrate!
