

It may be a shock to some, but we think church should be fun! ... a place where people grow together in real relationships, becoming everything they were meant to be. It's also a place to share our struggles, and celebrate our joys.

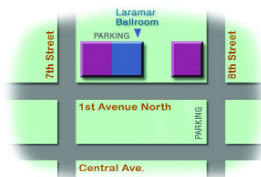

■ We invite you to be our guest at The Pointe, a relaxed church with a relaxed atmosphere. We focus on creating genuine and purposeful community rather than traditions, buildings, and committees. ■

We invite you to come as you are. Our services are casual. There's no dress code, people dress in jeans, shorts, or sweats. ■ You'll experience teaching with music videos and movie clips, conversation about real-life issues, and most importantly, a focus on the things that really matter to all of us...and that's the point we're determined not to miss.
