

OR... A NEW, WHOLE PLAN.

Saturday Workshops / Kickoff Sept 21
Featuring Lynn Ligenfelter and Jeff Williamson

Sunday Teaching Series:

Sept 22: A Whole Strategy for the Whole You

Sept 29: Paradigms of the Mind

Oct 6: Out of the Heart

■ A closer examination reveals that success doesn't happen in isolation. There's the influence and support of family, peers, and mentors. Neither does true fulfillment result from isolated pursuits of body, mind, or spirit. Dreams can flourish in a new vision for authentic community, a community that views no distinction between sacred and secular, a people who once again desire to have the 'beauty of wholeness' impact the reality of our everyday lives...body, mind, and spirit.

■ This fall we want to begin a pursuit of real community, the kind in which dreams can be built. Who knows, it may just be the beginning of a new chapter for you, your family, and our community.

■ Join us in creating a new vision, a new challenge...and a new, whole plan.
